NOTICE OF PUBLIC HEARING

A public hearing will be held by the Sacramento County Board of Education to receive public testimony and input from the community regarding the proposed submission of a General Waiver Request to the State Board of Education to waive the 35-day deadline to call a reorganization election under *Education Code* section 35756 so that the North Area unification can be placed on a regular election rather than a special election in November 2007. At the conclusion of the public hearing, the Board of Education is expected to take action on the submission of the General Waiver Request to the State Board of Education for approval at its May 9-10, 2007 meeting. If the waiver request is approved by the State Board of Education, the North Area reorganization proposal and election of initial governing board members could go to the next regular election.

The public hearing will enable the Board of Education to receive public input, but **is not a forum for public debate on the proposal to reorganize the North Area unification, which has already been submitted to and approved by the State Board of Education at its March 7, 2007 meeting.**

The public hearing is scheduled as follows:
